

## Personal Items at the Car Parking Areas

### Dear Valued Tenant,

Please note that One Porto Arabia Management has observed several personal items (water bottles, plastic containers, camping items, used tires, SUPs etc.) which are unsafely placed and stored at the parking areas.

Please be advised that common areas including but not limited to corridors, emergency staircases and parking areas shall be kept obstruction free at all times.

In this regard, we kindly request that you remove all personal items from these areas latest by **Saturday, 2<sup>nd</sup> July 2022** for safety reasons and to maintain a neat ambience of the building.

Kindly note that any personal items which are not removed after the above stated deadline shall be temporarily placed in the storage room of the property.

Further, should you wish to retrieve these items, please feel free to contact our Concierge at 4440-8199 for assistance. Non-collected items shall be disposed by the end of this month.
